Students are able to participate in a raffle drawing for Carolina Panthers items and will have the opportunity to receive free CPR training after their sports physical.

Students will receive additional raffle drawing entries for participating in CPR training.

Students will receive orthopedic and general wellness assessments from our team of expert providers. Students will also receive heart screenings for sudden cardiac death, not offered at routine athletic physicals, to detect health risks before they become issues.

PLEASE NOTE:

- The exam is a screening for school sports – not a complete physical – and does not replace the need for an annual physical with your doctor.
